Alright Ken — guess that next year's our last, huh? This year was quite a blast! did you have fun at the Dance and the Tiki's on Halloween? well i did, as well as all the short chats we had in the hallway between classes. you should drop by more often at my house, we enjoy having you. i think you're really a great guy and i'm sure plenty of other girls do too. Oh well, we'll live it up again next year O.K? maybe not with 15 kids in a van but it'll always be just as fun, right? well good luck and have fun

A city championship for Wilson High was established for the first time in the school's history, by our 1975 Mule Team. Under the great coaching of Vic Cuccia, Augie Lambert, and Stan Katase, our Mules compiled a perfect 13-0 record and a championship over Bell, 14-7. With eight All City players, Wilson led the league with the best defense and offense. The defense, which shut off its opponents, allowed only an average of 7.6 points per game, while the offense scored a total of 393 points for an average of 32.8 points per game. Congratulations to a fine and successful team!

SPECIAL EVENTS

Wilson has always been known for its spirited Wilsonites, great teachers and terrific campus. In addition, Wilson has another side, a wild and exciting one. Sad, but true . . . We only captured some of these activities for this year.

THE WILD WORLD OF WILSON

RICK

Each year twelve of the most outstanding Wilsonites are selected to the Mr and Miss Wilson Court. This year's court was comprised of Ray Valenzuela, Amy Lee, David Gutierrez, Joanne Brouwers, David Tufenkian, Nancy Chin, Maria Castro, Art Greenlee, Jane Quon, Andy Paredes; and Mr and Miss Wilson of 1976-Itsuo Hori and Celina Lew.

MR. AND MISS WILSON

CAROUSEL OF FASHIONS

Colors of rainbow and an array of styles were the main setting of the fashion show. This year's queen was Crisilda Cervantes. Her court consisted of twelve princesses, Helen Lozano, Sylvia Lopez, Icela Gonzales, Elvira Lopez, Felicia Echeverria, Beverly Miranda, Diane Aleman, Theresa Sandi, Becky Hutto, Jane Quon, Carmen Chavez, and Gloria Hinjosa. Throughout the show the girls modeled many varieties of loungewear, separates, sportswear and party wear. The finale of the performance ended with the traditional ceremony of the queen's coronation.

Zany, wild, spectacular and a spontaneus applause all define this years, 1976, talent show. Although there were alot of laughs, there were moments of beauty that touched the heart. The talent show was a great success, thanks to the hard work of the students, Mrs. P. Phillips, and Mr. Wooden.

AMERICANA . . . '76

"Come on baby!!!" "I'll drink to that!" "Watch out baby, 'cause here I come!" "Oh, brother" "Quick, give me the answers." "Look, What's her trip?" "Foul play!"

The "1976" Annual Staff wishes to thank all those whose time, effort, and assistance was put toward the publication of this book. To our dear advisor, Mr. John Danyo, whose patience cannot be measured, we extend our deepest appreciation. In closing, we hope that this book will recall happy and special memories for years to come, and that we shall always remember "Wilson's World '76."

ANNUAL STAFF

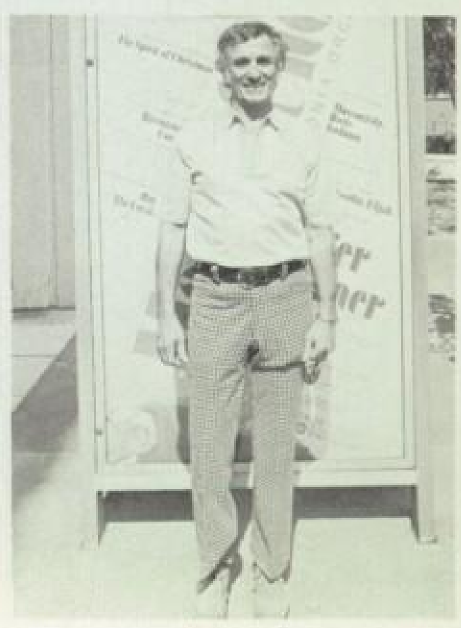

Dr. Donald D. Newman
Born: April 28, 1927, in Youngstown, Ohio
Died: January 11, 1976, in Los Angeles, California

Dr. Donald D. Newman's life is one of outstanding and dedicated service to the community he knew from childhood. Somehow, Dr. Newman found time to serve in most special ways the neighborhood community of El Sereno and Woodrow Wilson High School. His help is gratefully and fondly remembered. He worked for the El Sereno Coordinating Council, with the Boy Scouts, Troop #46, and was instrumental in organizing the Bicentennial Committee and the Fourth of July Parade.

Wherever Dr. Newman saw a way to help Wilson High School, he acted. For nine years he had given his services as team physician for the Wilson Varsity and Bee football teams, rarely missing even a part of a game. He was named honorary Lieutenant Colonel in the Wilson R.O.T.C. and he never missed an annual inspection. He volunteered his services as medical examiner for the All-Comers Track Meets. He was one of the most influential spokesman in promoting the building program which resulted in the new high school plant we enjoy today. Through his tireless efforts, Wilson High School received through the Model Cities Program, lights for the athletic fields, the bleachers, baseball field, and the portable stage. Dr. Newman served in the PTA and was the first president of the Advisory Council when it was formed in 1966. Dr. Newman brought the vigor and the intelligent voice of community to aid in the formation of policies for Wilson High School. We will miss him.
